Your long-lasting legacy

Build a world without hunger or poverty, where women can flourish as entrepreneurs so that their children can reach their full potential. A world with healthy, happy, thriving communities for generations to come.

Your gift to MicroLoan Foundation will support women in Malawi, Zambia and Zimbabwe to succeed as entrepreneurs, with the loans, training and mentoring they need to build businesses.

Every day of every year, women like Emeldah will be able to provide for their families. Her income will pay for clothes and medicine. Her children and grandchildren will attend school because she can afford the fees. She will never again face the heartache of putting her family to bed hungry.

Your gift will have an impact beyond your own lifetime, as families that once faced poverty will become self-sufficient for generations to come.

97% of loans are repaid, so your donation will be recycled to reach more and more women over the years and create a sustainable change.

Your next steps

Leaving a gift in your Will is perhaps the most rewarding thing you can do in your lifetime, and all it takes is a conversation with a solicitor.

After providing for your loved ones, you might consider two types of gift to support a cause that is important to you: a 'residuary legacy', a percentage of what remains of your estate after all other gifts and expenses have been paid, or a 'pecuniary legacy', a gift of a set amount.

How you choose to leave a gift in your Will depends on your personal preferences and circumstances. Your solicitor will ensure that your estate is distributed in the way you want.
